IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Monitoring Requirements Not Met for Fowlerville

*We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During January 1, 2024 to September 31, 2024 we did not receive both sample results for nitrate therefore cannot be sure of the quality of our drinking water during that time. However, this violation **does not** pose a threat to your supply's water.*

What should I do? There is nothing you need to do at this time. This is not an emergency. You do not need to boil water or use an alternative source of water at this time. Even though this is not an emergency, as our customers, you have a right to know what happened and what we did to correct the situation.

The table below lists the contaminant we did not receive results for, how often we are supposed to sample for this contaminant, how many samples we are supposed to take, how many samples we took, when samples should have been taken, and the date we collected' or 'will collect follow-up samples.

Contaminant	Required sampling frequency	Number of samples tested	When all samples should have been taken	Date additional samples were taken
Nitrate	2	1	01/01/2024 to 09/30/2024	11/04/2024

What happened? What is being done? We inadvertently sent a sample to a lab which was not tested due to the lab changing their sampling methods. We are making every effort to assure this does not happen again. Samples taken since then show that all results met acceptable limits.

For more information, please contact Cathy Eliott at 517-749-2506.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by the Village of Fowlerville.
