Section 1. Definition. This section defines “Data Center.”

Section 2. Findings. Among other things, this section states that the Township finds that imposing a temporary moratorium on Data Center permits, licenses, and approvals is reasonable and necessary so that the Township can consider amendments to the Township Zoning Ordinance to address regulations that may be necessary to protect the public health, safety, and welfare of Township residents and mitigate potential adverse effects on the public and to address the procedures and standards for obtaining approval of Data Centers in the Township.

Section 3. Moratorium. This section imposes a moratorium upon the issuance of any and all permits, licenses or approvals by and under the jurisdiction of the Township for the establishment of Data Centers, so long as the Ordinance is in effect.

Section 4: Term of Moratorium: Renewal. This section provides that the moratorium will remain in effect for twelve (12) months following the effective date of the Ordinance, or until Data Center regulatory amendments to the Township’s Zoning Ordinance become effective, whichever occurs first. Before this moratorium expires, the Township may by resolution extend the moratorium as appropriate up to an additional six (6) months to allow sufficient time to complete amendments to its Zoning Ordinance. If an extension is adopted, the Township will publish notice of the extension.

Section 5. Validity and Severability. This section provides that if any portion of the Ordinance is found invalid for any reason, such holding shall not be construed as affecting the validity of the remaining portions of the Ordinance.

Section 6. Repealer Clause. This section provides that any ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give the Ordinance full force and effect.

Section 7: Effective Date. This section provides that the Ordinance shall become effective immediately following publication.
