**STATE OF MICHIGAN
COUNTY OF LIVINGSTON
MARION TOWNSHIP ORDINANCE
ESTABLISHING MORATORIUM ON
COMMERCIAL SOLAR FACILITIES
ORDINANCE NO. 22-001**

Section 1: Title

This ordinance shall be known and cited as the Marion Township Commercial Solar Facilities Moratorium Ordinance.

Section 2: Purpose

The purpose of this ordinance is to establish a temporary moratorium on the application for, processing of, and construction of commercial, solar energy collection facilities to provide time to further determine the extent such facilities impact the public health, safety and general welfare of the residents of the Township, evaluate the regulation of such facilities under the Township's Zoning Ordinance, and determine how such facilities are current with the Township's Master Plan and proposed land uses.

Section 3: Definition

In this Ordinance, the term "solar facilities" singularly or plural, are used to refer to solar generating equipment designed to manufacture electrical power from the sun wherein such electrical power is handled on a commercial basis.

Section 4: Need for Study

Whereas the Township has not specifically addressed the issue of commercial solar facilities in its Master Plan updated in 2021, or in its Zoning Ordinance, nor enacted any other ordinances to regulate the construction or existence of commercial solar facilities, the Township desires additional time to study the community impact, zoning, regulation and placement of such facilities in the Township. Further, the Township needs to explore what if any regulations should be implemented regarding the existence, placement, or construction of such commercial solar facilities.

Section 5: Application and Term

This moratorium is immediately placed on the filing, submission, processing, acceptance, review, or any determinations as to any pending or future applications seeking the review, approval, construction, or installation of commercial solar facilities. The acceptance or processing of any pending or future applications by the Township would cause unnecessary confusion for any applicants and/or the Township. This moratorium shall last until December 31, 2022, unless modified, extended or terminated by the Township. The Township shall review this moratorium and the issue of commercial solar facilities prior to December 31, 2022.

Section 6: Publication

This Ordinance and its related rules, regulation, provision, requirements, orders, and matters established shall take effect immediately upon publication, except any penalty provision shall take effect thirty (30) days after the Ordinance is first published, pursuant to MCL 41.184 (2) (a).

Section 7: Repealer

All Ordinances, or parts of Ordinances, in conflict with this Ordinance are repealed only to the extent necessary to give all provisions of this Ordinance full effect, including but not limited to Ordinance 21-01.

Section 8: Validity of Ordinance

If any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be invalid or unconstitutional, such decision shall not affect the validity or constitutionality of the remaining portions of this Ordinance. The Township of Marion declares that it would have passed this Ordinance and each section, subsection, clause, or phrase hereof, irrespective of the fact that any one or more section, subsections, sentences, clauses, or phrases be declared unconstitutional.

Section 9: Purchase of Copy of Ordinance

This Marion Township Ordinance No. 22-001 can be purchased, examined, or inspected at the Marion Township Hall, 2877 W. Coon Lake Road, Howell, MI 48843, Monday through Thursday between the hours of 9am and 5pm.
